# ENVIRONMENTALLY FRIENDLY PRODUCTS

- We have researched, TRIALLED and manufactured environmentally friendly since 2016, and 2017.
- To implement the Prime Minister's guidance on mobilizing the manufacture and using environmentally friendly products, we decided to establish the Project Department to inquire about and apply this kind of plastic material to produce consonantly with the needs of customers. At present, we are producing 196 assorted knives, spoons, forks, cups, and trays from this material.
